

2019

IN CASE YOU MISSED IT THE MOST TALKED ABOUT PERIMETER GUARDIAN APP REVIEWS OF 2019

FORTNITE

A popular online game with graphic cartoon violence, chat with strangers and addictive qualities.

CHITTER

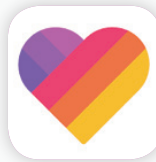

An anonymous chat function app with some sexual content.

ROBLOX

A multi-player creative online app where users create games and worlds. Easily hacked, sexual themes and weak parental controls are some of the risks.

LIKEE

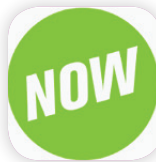

A video sharing app where users can chat to strangers, make in app purchases and encounter sexual content.

TIKTOK

A music video / lip-syncing app where users can create and witness risky and sexual behaviour and chats with strangers.

YOUNOW

A live streaming app with no age verification, where 'fans' can make real time requests of streamers.

TELLONYM

An app where users receive anonymous 'feedback' from friends and strangers. The obvious associated risks are bullying and self-esteem issues for young people.

FAKE POSTS/TEXTS

A series of apps designed to create fake texts, calls, social media posts and GPS locations.

WISHBONE

An app where users can compare anything. Risks include inappropriate content, in-app purchases and chats with strangers.

TWITCH

An online streaming service for gamers. Explicit sexual and adult content and chat with strangers are some of the risks.
